SHANTI ORANGE COUNTY Board of Directors

INDEPENDENT AUDITORS' REPORT

We have audited the accompanying statements of financial position of Shanti Orange County, a nonprofit corporation, as of February 29, 2012 and February 28, 2011, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the management of Shanti Orange County. Our responsibility is to express an opinion on these financial statements based on our audit.

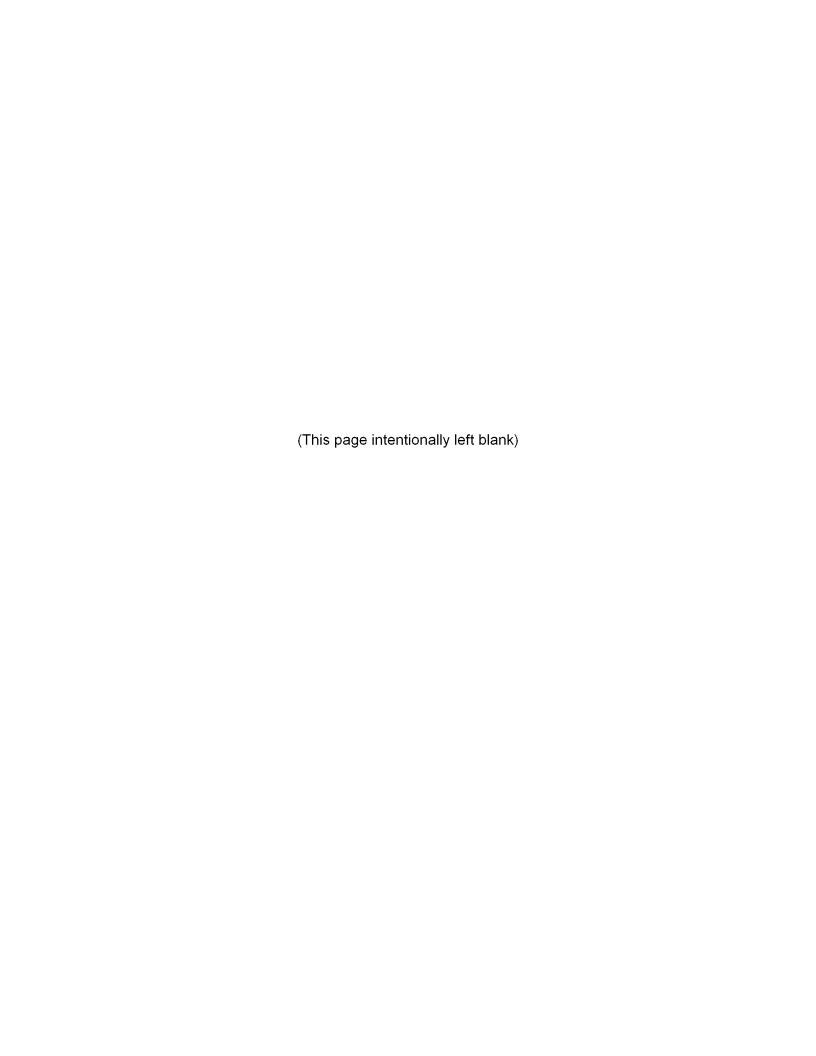

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the aforementioned financial statements present fairly, in all material respects, the financial position of Shanti Orange County as of February 29, 2012 and February 28, 2011, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, issued by the Comptroller General of the United States, we have also issued a report dated July 2, 2012 on our consideration of Shanti Orange County's internal control over financial reporting and our test of its compliance and other matters with certain provisions of laws, regulations, contracts and grants. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

NOTES TO FINANCIAL STATEMENTS

Years ended February 29, 2012 and February 28, 2011

(1) Summary of significant accounting policies

Shanti Orange County (the "Organization" or "Shanti") is a California nonprofit corporation whose mission is to strive to preserve the dignity and well-being of individuals living with HIV and AIDS by providing life enhancing supportive services, education and psychological care. The Organization is also known as the HIV/AIDS Agency with the Caring Heart.

The main goal is to provide personalized services in a safe and confidential environment.

A description of the Organization's program services are as follows:

Case Management services provide Shanti clients important linkages and referrals to the wide range of services crucial to maintaining health and well-being while living with HIV disease. The goal is to assist consumers in the management of HIV disease. An individualized service plan, a needs assessment and an action plan are developed and followed on an ongoing basis to assure direction and assistance. Referrals to services include medical care, pharmaceutical case management for drug assistance, housing options, practical services, benefits counseling, food/meals and mental health services.

Mental Health services provide Shanti clients with psychological services in the form of weekly group therapy and individual psychotherapy. The goal is to assist clients with managing the profound psychological impact of HIV/AIDS on their lives and to help strengthen their inner resources to maintain medical treatment and cope with the disease. These services help overcome the isolation and stigma that many patients may experience, and offer them opportunities to re-engage with fellow sufferers and find new meaning and hope in their lives.

Education and Prevention— Shanti Orange County's HIV/AIDS Education Outreach and Prevention Program provides critical information and support to empower those living with HIV/AIDS so that they can better adhere to medical treatment, achieve optimal wellness, and prevent further spread of the disease.

The program includes the following components:

- <u>Big 7 Seminar Series</u> a monthly seminar series disseminating information essential to people living with HIV/AIDS.
- <u>EMPOWER Seminars</u> an *educational* program that draws on the expertise of well-known healthcare professionals in the care and treatment of HIV/AIDS.
- <u>Club Med Z</u> an innovative adherence group that assists patients with understanding and maintaining medication compliance and adherence to medical treatment for HIV/AIDS.

- <u>Circle of Women</u> open to the growing number of women impacted by HIV/AIDS. The Circle of Women includes monthly support groups and a quarterly education series that provides information on HIV/AIDS, its transmission, treatment, and prevention.
- <u>Shanti Ambassadors</u>- a supportive group of consumers and community volunteers working together to promote healthy living while planning and coordinating activities and trainings to educate the community at large regarding HIV and AIDS.

Home Delivered Meals program serves homebound and disabled, low-income individuals living with HIV/AIDS by providing nutritious meals delivered daily by caring volunteers.

The following summary of significant accounting policies identifies specific accounting principles applied in the accompanying financial statements.

(a) Basis of accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

(b) Cash and cash equivalents

For purposes of the statement of cash flows, the Organization considers all unrestricted, highly liquid investments with an initial maturity of three months or less to be cash equivalents.

The Organization had deposits in excess of federally insured limits at February 29, 2012 and February 28, 2011 of \$260,586 and \$317,066, respectively.

(c) Fair value measurements

The Organization follows ASC 958-205, which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 958-205 are described as follows:

NOTES TO FINANCIAL STATEMENTS

(Continued)

(1) Summary of significant accounting policies, (continued)

(c) Fair value measurements, (continued)

- Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Organization's investments at fair value as of February 29, 2012:

	Investments at Fair Value as of February 29, 2012

(d) Financial statement presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

(e) Restricted and unrestricted revenue and support

The Organization records contributions received as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

NOTES TO FINANCIAL STATEMENTS

(Continued)

(1) Summary of significant accounting policies, (continued)

(e) Restricted and unrestricted revenue and support, (continued)

Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

(f) Property and equipment

Property and equipment exceeding \$5,000 and an estimated useful life of 3 years or more are recorded at cost. Donated items are recorded at management's best estimate of the fair market value at the time of donation. Furniture and fixtures and equipment are depreciated over an estimated useful life of 3 to 5 years using the straight-line method, assuming no salvage value.

(g) Federal and state income taxes

The Organization is organized as a not-for-profit entity under the general nonprofit corporation laws of the State of California. A determination letter confirming exemption from Federal income tax under Section 501(c)(3) of the Internal Revenue Code has been obtained. Revenues subject to unrelated business income tax (UBIT) were insignificant and would not generate a tax liability. In addition, an exemption from California franchise taxes has been obtained. Therefore, no provision has been made for Federal income taxes or State franchise taxes in the accompanying financial statements.

(h) Donated equipment and services

Donated non-cash contributions have been reflected in the accompanying statements at their estimated market value at date of receipt. Contributions of services are recognized if the services received create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Volunteers' time not meeting this criterion have not been recorded in the financial statements.

(i) Accrued liabilities

The Organization's policy is to record accumulated vacation when earned. As of February 29, 2012 and February 28, 2011, accrued liabilities were \$39,081 and

NOTES TO FINANCIAL STATEMENTS

(Continued)

(1) Summary of significant accounting policies, (continued)

(i) Accrued liabilities, (continued)

\$47,931, respectively. Of this amount, \$19,980 and \$18,607 was accrued vacation liability as of February 29, 2012 and February 28, 2011, respectively.

(j) Use of estimates

The preparation of these financial statements requires management to make estimates and assumptions. Those estimates and assumptions affect the reported amount of assets, liabilities, revenues, and expenses, as well as contingent assets and liabilities. Actual results could differ from those estimates. Management also determines the accounting principles to be used in the preparation of financial statements.

(k) Expense allocation

The costs of providing the various programs and other activities have been summarized on a functional basis in the "Statement of Activities" and in the "Statement of Functional Expenses." Accordingly, certain costs have been allocated among the programs and supporting services benefited.

(I) Prior year reclassification

Certain comparative figures have been reclassified to conform to the current year presentation.

(m) Subsequent events

Subsequent events have been evaluated by management through July 2, 2012, which is the date the financial statements were available to be issued.

(2) Cash and investments

Cash and investments consisted of the following at the end of February:

	<u>2012</u>	<u>2011</u>
Cash and cash equivalents	\$ 95,317	276,207

(5) Deferred Rent

In September 2011, the Organization entered into a sublease agreement with Dolphinshire/Fountain Plaza, L.L.C. ("Lessor") commencing on November 1, 2011 for offices located in Laguna Hills, California. Monthly rent is \$5,211 per month commencing May 1, 2012 until the lease agreement ends April 30, 2017.

The Organization records rent expense on a straight-line basis. The deferred rent liability pertaining to the free rent at the beginning of the lease and future rent increases has been calculated and will be recognized over the term of the lease. Minimum future rental payments under the lease are summarized as follows:

Year Ending February 28	Rent <u>Payments</u>	Deferred <u>Rent</u>	Total Rent <u>Expense</u>

NOTES TO FINANCIAL STATEMENTS

(Continued)

(7) Commitments and contingencies

The Organization receives a substantial portion of its revenues from government grants and contracts, all of which are subject to audit by the government. The ultimate determination of amounts received under these programs generally is based upon allowable costs reported to and audited by the government. Until such audits have been completed and final settlement reached, there exists a contingency to refund any amount received in excess of allowable costs. Management is of the opinion that no material liability will result from such audits.

(8) Concentrations

The Organization's sources of revenues are mainly from government grants and private donations. Of the total revenues, approximately 51% and 28% was received from the County of Orange for the years ended February 29, 2012 and February 28, 2011, respectively.

REPORT ON COMPLIANCE AND OTHER MATTERS AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors

SHANTI ORANGE COUNTY

We have audited the financial statements of Shanti Orange County (a non-profit organization), as of and for the year ended February 29, 2012, and have issued our report thereon dated July 2, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Shanti Orange County's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Shanti Orange County's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Shanti Orange County's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of Shanti Orange County's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis.

Board of Directors Shanti Orange County Page Two

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as described in the preceding paragraph.

This report is intended solely for the information and use of the Board of Directors, Shanti Orange County's management, federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
